

Peer Review Plan

Preliminary Title: The U.S. and Mexican Corn Sectors

Type of Report (ERR, EIB, EB, TB, SOR,) SOR

Agency: Economic Research Service [X] Influential Scientific Information
USDA [] Highly Influential Scientific Assessment

Agency Contact: William Liefert, wliefer@ers.usda.gov

Subject of Review: Among the billions of dollars of agricultural products traded each year between the United States and Mexico, corn is one of the most important for its economic value and role in food and energy production. This report profiles the U.S. and Mexican corn sectors, offering details on the volume of production, varieties grown, geography, yields, and the many uses of corn. The report also presents an overview of the domestic agricultural supports in each country with respect to corn and offers details on the recent history of prices.

Purpose of Review: The purpose of the review is to ensure the high-quality of the economic analysis, transparent explanation of methods, objective interpretation of results, and effective communication to the intended audience.
