INITIAL INTERVIEW

**ADMINISTERED IN CAPI FOR ENGLISH AND SPANISH
ADMINISTERED ON PAPER FOR KOREAN AND VIETNAMESE**

NATIONAL FOOD STUDY Initial Interview– Section A

INTRODUCTION

- Q1a DID THE HOUSEHOLD PROVIDE CONSENT FOR USE OF ADMINISTRATIVE DATA BY INITIALING THE SECOND PAGE OF THE CONSENT FORM?
- (1) YES
 - (0) NO
- Q2 As I said earlier, taking part in this study is completely voluntary. We are required by law to use your information for statistical research only and to keep it confidential. The law prohibits us from giving anyone any information that may identify you or members of your household. You do not have to answer any questions that make you feel uncomfortable. There are no risks for participating but if you have any questions you can always call the telephone number on the brochure. Now I'd like to ask you about the people living in your household, where you usually shop for food, and food programs you may participate in. Some of these questions will help me determine how many food books to give you for the study week, and some of the questions will be used by researchers to help them understand how households like yours acquire food. These questions will take about 30 minutes to answer. May I begin?
- (1) YES, CONTINUE
 - (2) NO, RESCHEDULE ALTERNATE TIME
 - (3) NO, DECLINE TO TAKE PART/REFUSAL
